## FIRST FRIDAY ORGAN CONCERT- JUNE 2 AT 7 PM

Stephen Williams will present a program of five significant organ works by the great 18th century musician, Johann Sebastian Bach (1685-1750):

*Tocatta in F Major; Tocatta, Adagio, and Fugue in C Major; Tocatta in D minor 'Dorian'; Tocatta and Fugue in D minor (the well-known); Passacaglia in C minor*

These remarkable pieces are not only exciting to hear, but absolutely fascinating as pinnacle, culminating contributions to the world of music: true examples of genius, individuality- a world of their own. From the titles, it seems they might be similar, and yet they're all very different. Come, see, and hear!
